OPR Hardware Bundle

Required Kitchen & Bar Setup

Kitchen Printers — CloudPRNT Required

All kitchen printers must be CloudPRNT compatible

- Recommended: Star Micronics SP700 Impact Printer
 - [Amazon](#)
 - [Walmart](#)
 - [Manufacturer](#)

Impact printers are louder but designed for hot kitchen environments (e.g., near ovens)

Bar Printers — CloudPRNT Required

All bar printers must be CloudPRNT compatible

- Recommended: Star Micronics mC-Print3 Thermal Printer
 - [Amazon](#)
 - [Walmart](#)
 - [Manufacturer](#)

CloudPRNT Adapter (Upgrade Existing Printer)

- Have a non-CloudPRNT SP742ME? Upgrade with a replacement interface adapter
 - [Amazon](#)
 - [Manufacturer](#)
 - [POS Guys](#)

Recommended Receipts

CloudPRNT receipt printers — not required, but strongly preferred for reliability

- Star Micronics TSP143IVU
 - [Amazon](#)
 - [Walmart](#)
 - [Manufacturer](#)

Setup Notes

- Designed for high-volume, multi-station environments
- Cloud printing ensures reliable ticket routing to kitchen and bar
